## CUTICURA REMEDIES EFFECT PERFECT CURE

"Four years ago I suffered severely with a terrible eczema, being a mass of sores from head to feet and for six weeks could not get to my bed. During that time I suffered continual torture from itching and burning. After being advised to try the Cuticura Remedies. After the first bath with Cuticura Soap and application of Cuticura Ointment I enjoyed the first good sleep during my entire illness. I also used Cuticura Resolvent and the treatment was continued for about three weeks. At the end of that time I was able to be about the house, entirely cured, and have felt no ill effects since. ## TO TAKE STAND ON TELLURIDE PROTEST

The city's stand in regard to the protest of the Telluride Power company against the proposed condemnation of the East Jordan canal for the purpose of bettering the city's supply of water will be made known tonight at the recess meeting of the city council. ## SALT LAKE IS FOURTH

Stands Well to the Front in the Country's Building Advance Record.

Salt Lake stands fourth among the large cities of the United States in building advance for the eleven months of 1909, according to the American Contractor, a Chicago publication, which reached Building Inspector A. B. Hirth yesterday. The loss in the permits for November, just past, pulled down Salt Lake's average. The increase is shown from \$1,249,476, for the eleven months in 1909 for Salt Lake, as compared with \$7,806,520 for the same period of this year, or a gain of 83 per cent. Oklahoma City showed a gain for the eleven months of 276 per cent; Manchester, N. H., 197 per cent, and Bridgeport, Conn., 93 per cent. All of these, however, are smaller than Salt Lake, thus putting Salt Lake at the head of the list of cities with populations of 100,000 or more.

## LOVE FINDS WAY TO SATISFY LAW

Young People Procure Marriage License in Spite of Legal Objection.

Love found a way to satisfy the law yesterday in getting a marriage license for Jacob H. Plamm and Sarah D. Larsen, both of Rexburg, Ida. The young people put in an appearance at the marriage license counter, but Deputy J. U. Eldredge, sr., said he could not give a license on account of the age of the girl, as she confessed she was one month shy of 18 years old, the legal age.

It was such a blow to the young sweethearts, that the deputy clerk was induced to aid them to get the license. Miss Larsen is an orphan, without mother or father, and therefore could not get the consent of either. So it was arranged that Harry Shepherd of Salt Lake, a mutual friend, be made guardian of the girl through the courts and then give his consent to her marriage.

Judge T. D. Lewis was in his office and performed the legal duty which made Mr. Shepherd the guardian of the young woman. Then the guardian stepped into the county clerk's office with his two friends, gave his permission to Miss Larsen marrying Plamm, and the obstacle was overcome. The license was issued and the two went happily upon their way.
